

OPPORTUNITY KNOCKS: The Guides learnt about female role models.

Influential and inspiring women

GUIDING girl power was in full force during an event held at Woodlands Park Village Centre.

Girls from the 2nd Cox Green Guides spent the evening at the Waltham Road venue learning and talking about influential and powerful women.

The girls also had the chance to meet three inspirational female speakers who gave talks about their lives during the event on March 12.

Hilary Winter, headteacher at The Piggott School in Wargrave, Sarah Maskell, principal of Stagecoach in Maidenhead, and Sally Kemp, chairman of Berkshire East Primary Care Trust, individually delivered their words of wisdom to the guides.

Guide leader Helen Bates said: "The evening definitely gave the guides food for thought about what opportunities are available."
