

HELP KEEP YOUR COMMUNITY A TEAR-FREE ZONE

When you were really little...

- ☹ Breaking or throwing your sister or brother's toys
- ☹ Drawing on the walls at home
- ☹ Touching things that you've been told not to ie Stereo's, TV's, plants, breakables

I bet it always ended with tears...

And as you grow up...

- ☹ Scratching your neighbour's car
- ☹ Writing Graffiti in public places
- ☹ Picking flowers from a neighbour's garden

It will always ends with tears....

Don't let it be **your** tears one day...

Spread the word to your friends..

**"Its not wise to vandalise
Its so uncool to break this rule!"**
